

measures and diagnostic and therapeutic skills necessary to the provision of such care.

§ 52d.2 Definitions.

(a) *Act* means the Public Health Service Act, as amended.

(b) *Director, NCI*, means the Director of the National Cancer Institute and any other officer or employee of said Institute to whom the authority involved has been delegated.

(c) [Reserved]

(d) *Board* means the National Cancer Advisory Board established by section 407 of the Act (42 U.S.C. 286b).

(e) *Affiliated teaching hospital* means a hospital which, although not owned by such school, has a written agreement with a school of medicine, osteopathy, dentistry, or public health eligible for assistance under this part, providing for effective control by the school of the teaching in the hospital.

(f) *Specialized cancer institute* means an institution which has as its primary mission the diagnosis, prevention, or treatment of cancer.

[45 FR 12247, Feb. 25, 1980; 45 FR 20096, Mar. 27, 1980, as amended at 47 FR 53012, Nov. 24, 1982]

§ 52d.3 Eligibility.

To be eligible for a grant under this part, an applicant must be:

(a) A public or private school of medicine, osteopathy, dentistry, or public health, affiliated teaching hospital, or specialized cancer institute; and

(b) Located in a State, the District of Columbia, Puerto Rico, the Virgin Islands, the Canal Zone, Guam, American Samoa, or the Trust Territory of the Pacific Islands.

[45 FR 12247, Feb. 25, 1980, as amended at 47 FR 53012, Nov. 24, 1982]

§ 52d.4 Application.

(a) Application for a grant under this subpart shall be made on an authorized form.¹ Applicants shall submit com-

pleted forms, on or before the dates the Director, NCI, may prescribe.

(b) [Reserved]

(c) In addition to any other pertinent information that the Director, NCI, may require, each application shall set forth in detail:

(1) A program plan defining the objectives of the proposed program and the means by which these objectives would be achieved, including descriptions of:

(i) The general educational level (e.g., pre-doctoral, post-doctoral) of the students to be involved in the program;

(ii) The proposed course of study and its relation to the diagnosis, prevention, control, and treatment of cancer;

(iii) The clinical experiences to be provided to the students;

(iv) Multidisciplinary aspects of the program;

(v) The particular schools or branches within the institution which would have responsibility for individual aspects of the program; and

(vi) The teaching mechanisms to be employed, including specific discussion of those techniques which would be innovative.

(2) The availability of personnel, facilities, and resources needed to carry out the program;

(3) The names, qualifications, and proposed duties of the program director and any staff members who would be responsible for the program, including a description of those duties which would actually be carried out by the program director and those which would be shared with or assigned to others;

(4) The names and qualifications of proposed members of a cancer education committee which would be established by the applicant to advise it on the planning, organization, operation and evaluation of the program and the specific duties which would be assigned to said committee;

(5) Insofar as necessary, cooperative arrangements with other schools, hospitals, and institutions which would participate in the program;

¹Applications and instructions are available from the Division of Cancer Research Resources and Centers, Education Branch, Westwood Building, 5333 Westbard Avenue, Bethesda, MD 20205.
